

“IMPROVING OUR YOUTHS’ FUTURE THROUGH TODAY’S ACTIONS”

To Our Community Partners:

With your help and contributions **Inside the Lines Training Inc.** will be hosting its' 6th annual golf scramble Friday, September 13, 2024. Being a minority-led Louisville- based nonprofit, we depend on you to help us achieve our mission to empower & inspire the youth with self-development through academic enrichment, athletic training, and leadership enhancement. We aim to raise \$30,000 this year to continue to push our mission and make an impact on students and student-athletes in the Louisville area.

We hope we can continue to count on your help and reinforcement with our 6th Annual Golf Scramble at the historic Shawnee Golf Course; 460 Northwestern Parkway, Louisville, KY 40212. The event will feature a fun-filled day of golfing, networking, and food, with meet-and-greet opportunities with some of our guest professionals athletes. In addition, we will have our annual Tee-off reception Thursday, September 12, 2024, at the Greenhouse @ Zeppas, 5801 Haunz Ln. Louisville, KY 40241 . This provides the opportunity to network with sponsors, meet staff and board members, learn more about ITL and support this endeavor.

Attached you will find our sponsorship and player packet. Please let us know if you have any questions or need assistance while completing online registration. **Inside the Lines Training** is a 501(c)(3) organization and your sponsorship is tax-deductible.
